

Sean Bott KEYNOTE Intro

If Jack Black, a Jedi, and a Wizard had a baby, it would be Sean Bott. Our keynote speaker has been described as "A Crazy Blend of Jack Black and Criss Angel." He has appeared on HBO, Disney, and the SyFy channel as well as with James Franco in the movie "127 Hours." Sean has brought hilarious, mind blowing moments to over 1500 audiences around the world.

As you can imagine, all of this has given him some anxiety. He has studied cognitive behavioral therapy and self-compassion. Combined with his mind-reading, he will show us how to create warm connections with other humans quickly and authentically.

At home, Sean is owned by two cats, two kids, and a spouse. Please welcome, Sean Bott!
